

L5110 20V Cordless LED Task Light

Ultra-bright white LED
casts 180 lumens and lasts up to 20,000 hours

Patented aluminum head
dissipates heat and is lightweight yet heavy-duty

IQ^{v20} Series intelligent battery management system provides:

- Up to 15 hours of runtime on a single-charge 3.0 Ah battery
- Up to 8 hours of runtime on a 1.5 Ah battery

Impact-resistant housing
protects against fluids, chemicals and repeated drops

Multi-position head and standing base
allow for lighting from above or below

Hanging hook allows for versatile positioning at any angle

Industry Applications

Model	Luminous Power Lumens	Run Time (hr)		mm (in)	kg (lb)	
		BL2005	BL2010		BL2005	BL2010
L5110	180	8	15	121 (4.76)	0.86 (1.9)	1.10 (2.4)

One Cordless Battery Platform

The IQ^{v20} Series 20V lithium-ion battery platform powers all of the cordless tools you need. That means all of the IQ^{v20} Series tools you own can share batteries and chargers, making it easier and faster to have a freshly charged battery ready to get the job done.

3.0 Ah (BL2010)

Compatible with all IQ^{v20} Series tools
Sold separately.

1.5 Ah (BL2005)

Not compatible with W7150 Impactool or DS140 drill/driver.
Sold separately.

High-power, extended-life 20V lithium-ion battery
delivers high charge capacity and low internal impedance for maximum power delivery and exceptional run time

Intelligent battery management system (BMS)
provides power level and current control from the battery to the switch to the motor

Easy-to-use battery interface
makes changing the battery quick and simple

BC1120-EU

The IQ^{v20} Charger features an auxiliary USB charging port and is wall or bench mountable
